**SHIPPING:**

Due to the fact that we use a special shipping service that provides the shipping of parcels etc we don't have to adjust the shipping prices at this moment. One of the reasons is that because of you our costumers we can keep these prices so low. With over 1500 parcels shipped last year we can stay in the lowest shipping prices!

I am glad we are one of the few suppliers of EM that did not have to raise their shipping prices. So for the 4rth year in a row they stay the same!!
